**Hurley won by 67 runs ☺**

Sixes – none, Catches listed.

Man of the match – Jo Simon, Runner up – Justin Lewis.

Hurley got back to winning ways with an impressive display against Woodley, gaining some revenge for the defeat Woodley had inflicted on them back in June. Jo Simon hit a career high 47\* not out and had Captain Dan been able to get him the strike in the final over he may well have made his maiden Hurley fifty, shame on you Skipper. He was ably assisted by an entertaining and quick fire 46 from the returning Sam Kelly as well as useful knocks by Dan and Greg Double who hit, as he described, 'the best shot of my life'. It was a pull through midwicket and it went like a rocket. Other comedy moments included Toddy hitting the ball straight to fly slip who had been put there the previous ball. Spectators (Greg and Justin) couldn't control their laughter! A score of 179 was very competitive on a track providing a lot of bounce and some lateral movement.

Hurley took full advantage when they came to bowl as Justin Lewis (5-38) and Imran Arshad (3-18) ripped through the Woodley top order. Helped by solid catching, including a tidy pouch by the Howitzer at mid-on, and good ground fielding the game was all but up as Woodley crumbled to 62-8. A late cameo by two of Woodley's young guns stopped the Hurley express briefly but Dan and Sam grabbed a late wicket each to seal a comfortable win.
